

36 COWPER STREET, PARRAMATTA

IMMEX Opening in Parramatta

Later this year, IMMEX will open our second dedicated Occupational Medicine and Physiotherapy Practice at 36 Cowper Street, Parramatta.

You'll see the familiar faces of Physician and Occupational Specialist Dr. Catherine Field; Occupational Medical Practitioner, Dr. William Ma and Occupational Psychologist, Tonie Gilbert at both Waterloo and Parramatta practises ensuring IMMEX's high professional standards and enviable RTW outcomes are delivered across the IMMEX group.

The Waterloo and Parramatta practises will use the same database and software systems, ensuring the two practices will work seamlessly together enabling injured employees to be treated for the same injury at both practices.

The two practices running as one will offer employers a choice of two locations where their injured employees will receive the same IMMEX approach to treatment and their safe return to

work, while offering employees, ease of receiving treatment at locations possibly close to both work and home.
