

Michael Playford

B.App Sc (Phys)

Position: **Physiotherapy Principal & Director**

Michael has been an integral member of the team at IMMEX since the opening of the Waterloo site in 2001. Michael has over 20 years experience in acute injury management and rehabilitation of injured workers, corporate consultancy, work hardening programs, workplace education programs, orthopaedic plastering and splinting, gym design and pre-employment screening across all industries.

Michael has a particular interest in consulting with corporate clients to better manage their workers compensation risks and costs. This consultancy has led to Michael successfully developing bespoke pre-employment functional testing protocols and onsite prevention programs for small, medium and large enterprises.

Michael is committed to providing evidence-based practice to his patients and corporate clients alike. This extends into his interest of sharing his knowledge by providing ongoing training to the physiotherapy, nursing and medical team, educating his patients or providing evidence-based workplace training and education solutions to businesses.
