

LET'S STAY CALM AND DO YOUR JOB!

COVID-19 is an issue that needs to be taken seriously. While this is for the good of society, it can often be counterproductive to be over-fearful. **If we panic, and are fearful, it will do more harm than good.**

While the global economy (including Australia) has to weather tough times ahead, having a balanced perspective will benefit people's mental health, will help to maintain jobs, and will allow our economy to bounce back more quickly.

The media has been portraying COVID-19 in a certain light, but it is important to be aware of the following facts:

Please do your part, keeping this in mind. Wash your hands and keep a good social distance.
